Men abuse bathrooms all the time. Men almost always swallow. Men also have a lower threshold for perceiving someone's warmth as a sexual come-on. Men also want women who are virginal and who seem as though they'll be faithful cuckolds of them. Men always leave the toilet seat up! Men always like intellectual company. Men always miss when they aim to pee. Men always stare at her, and I think she even gets promotions because of her looks. Men always tal Men always try to play with good girls. Men always want to be a woman's first love. Men always want to know how they compare to the last guy you were with. Men and boys picked up their muskets to defend their homes and their libe girls pretty panties, pantyhose,... Men and their toys (and dogs). Men and video games. Men and women all in all, behave just like our basic sexual elements. Men and women are both less sexually active if they didn't have a spouse o women are different down to each and every cell of their bodies-down to the 23rd chromosome to be exact. Men and women are Equal Sex Opportunists, and if they only would communicate boldly what they want, who knows what se achieved. MEN AND WOMEN ARE NOT EQUAL. "Men and women aren't always thinking about the same things." Men and women both are the head of the family because both are sophisticated. Men and women cannot be content a with the mere facts of a humdrum life - the imagination must adorn and exaggerate life, must give it splendor and grotesqueness, beauty and infinite depth. Men and women don't seem as alienated from each other as American people jealous over different things. Men and women have a symbiotic relationship; they can't exist without each other. "Men and women hypermaniancs are brimful of confidence to the point that they lose all sense of judgement," he said. Me money. Men and women, or both? Men and women really are different, according to Men's Health magazine. Men and women speak different languages, and to communicate with women effectively, you need to understand their langu speak to them in their own language. Men and women store excess fat differently. MEN AND WOMEN: SURVIVAL OF THE FITTEST. MEN AND WOMEN WANT SIMILAR TRAITS IN LOVERS. Men and women who assume distinct ro attitudes that help explain their differing social behaviors. Men appreciate beautiful women. Men are a misunderstood lot, which all in all is probably for the best. Men are a stepping stone to much harder twice as likely as women to show symptoms of madness following a walk through a hall of mirrors, the researchers found. Men are all losers and so are their friends. Men are annoying because they're so open about their bodily function sex on women. Men are basically insecure about the size of their dicks and so they go to war over it. Men are bastards. Men are but gilded loam or painted clay. Men are cautioned against coming in while a male bashing session is in painted second certainly not as polygamous as gorillas. Men are definitely confused about masculinity. Men are digital, women are analog. Men Are Dogs. Men are doing it, because of the kind of power that men have over women. Men are dumb whe even though you don't call them and they don't get the hint. Men Are Expected To Perform. Men are extremely good at taking things apart: whether it's a dishwasher or an antique clock, a man can break it down to its most basic compc are far more visual than women. Men Are From Amherst, Women Are From Mars, Women Are From Venus. Men are frozen pudding on a stick. Men are genuinely interested in who you really are, not who you're gerbil whores and fuck camels.... Men are icky!-Yet sometimes I feel the uncontrollable urge to throw one in the shower or bath and try my damnedest to make him clean. Men are increasingly suffering from the eating disorders and d women have endured for so long. Men are innately more aggressive than women? Men are just plain dumb like apes! Men are like a fine wine. Men are like a snowstorm....you never know when they're coming, how many inches you'll last. Men are like animals: messy, insensitive and potentially violent, but occasionally make great pets. Men are like buses-They have spare tires and smell funny. Men are like butter when a blow job is involved. Men are like carpets, I and you can walk on 'em for twenty years. Men are like cement...after getting laid, they take a long time to get hard. Men are like chocolate bars...sweet, smooth, and they usually head right for your hips. Men are like coffee...the best o can keep you up all night long. Men are like coolers...load them with beer and you can take then anywhere. Men are like computers...hard to figure out and never have enough memory. Men are like department stores...their clothes sho Men are like guns-Keep one around long enough and your going to want to shoot it. Men are like high heels, easy to walk on once you get the hang of it! Men are like horoscopes...they always tell you what to do and are usually wrong laxatives....they irritate the shit out of you. Men are like mad animals. Men are like parking spots....the good ones are taken and what's left is handicapped. Men are like plungers...they spend most of their lives in a hardware store or the small children-You bring a new one home and the ones already there resent it. Men are like that. Men are like toilets-either occupied or FULL OF SH*T! Men are like vacations...they never seem to be long enough. Men are literally p have sex with as many women as possible. Men are lonely. Men are Lunatics, Women are men as well as boys (the boyish aspect just appears too often) and women are women as well as girls. Men are more likely to f the ocean. Men are more tuned in to their internal aches and pains; women devote more regions of their brain to sadness. "Men are more unstable; they don't take responsibility as much as a woman does." Men are most vulnerable du lives, studies show. Men are naturally inconstant in their sexuality; it is easy for them to change partners. Men are naturally specialists compared to women. Men are no longer hunters in our society. Men are not created equal in this de cutting it. Men are not emotional enough. Men Are Not Gods. Men are not monogamous by nature. Men are not reasonable people, for the most part-they're too territorial. Men are not the enemy! Men are not the enemy. girls, they are

children. Men are not the species' only sex machines. Men are nothing but lazy lumps of drunken flesh. Men are odd creatures. Men are optional. Men are people too. Men are plates of lettuce. Men are pleased by any novelty. Men are Men are randier and more promiscuous than women? Men are scarce here. Men are scum. Men are selfish. Men are sensible about socks. Men are simply naughty animals in need of discipline! Men are so afraid to die that they have the second sight. Men are so chicken shit-they are so scared of death. Men are so pathetic. Men are still led by instinct before they are regulated by knowledge. Men are still searching for the perfect woman, but Mother Nature's already created the the cockroach! Men are still those most involved with the machinery of modernity, but the point applies equally to those women who share that passion for urban busy-ness. Men are stronger than women, although sometimes a woman a man. Men are such beasts. Men are such idiots and I married their king. Men are suffering right now-especially young men. Men are supposed to take care of women. Men are taught from a tender young age to be self-sufficient. Men for their weaknesses; women for their strengths. Men are the suckers in that busi- ness. "Men, are three times more likely to become alcoholic and commit suicide, and far more likely to be diagnosed as h display antisocial personalities as adults. Men are trained to find their security in themselves. Men are turned on at the sight of a naked woman's body. Men are turned on by all things. "MEN ARE VAIN · STUPID · UNKEMPT · INCAPAL UGLY · HAIRY · ANIMAL · UNSHAVEN · SWEATY · LAZY · SUFFERING · INFLEXIBLE · INSENSITIVE · QUARRELSOME · SELFISH · ANTISO · CIAL · AGGRESSIVE · · · AND COMPLETELY SUPERFLUOUS" Men are vain; they will the mirror. Men are very brittle and unadaptable people compared to women. Men are very confident people. Men as drugs. Men as gods? Men At Work. Men basically will have peace at any price. Men battle each other tough-guy sport! Men - Be honest. Men become masculine only when other men say they are. Men Behaving Very Badly. Men believe that their financial worth reflects their inner worth. Men brawl more; they are the principal occupants paramilitary groups worldwide-which is what you might expect if they had evolved as the designated spear chuckers of the species. Men build bridges and throw railroads across deserts, and yet they contend successfully that the job c beyond them. Men call 212-949-4506. Men can be intimidated by women, so it's flattering when a woman makes the first move or says something unexpected or outrageous. Men can become more passive and women more aggressive Men can buy you presents. Men can get jobs easier and faster. Men Can Help Stop Violence Against Women. "Men can live for years with prostate cancer," they assured him. Men can teach you about male behav- ior, and you'll never companionship! Men cannot bear children. Men can't cut it on diagonal strippers. Men can't give your life meaning; they can only enhance it. Men can't help themselves, they say: they are always hungry for sex, bodies, novelty and nut coming to the rescue of a helpless woman. MEN CAN'T TAKE THEIR EYES OFF ME! Men care about sports too much and not their loved ones. Men catch glimpses of one another's penises from time to time, but most heterosexual mentation and not their loved ones. other penises up close or erect. Men cheat because they like having sex with other women, according to the book Women Who Stay With Men Who Stray (Hyperion, \$23.95.) Men claim to be taller than they really are by an average of women subtract more than two pounds from their true weight. Men clam up when gals want to talk, giving one word answers like "yep" and "nope." Men communicate through language with the intention of providing information and solv plain, if she wants me to get her something in particular for her birthday, why doesn't she tell me? Men compound the problem by escorting ladies to fancy restaurants, where the calorie count is as high as the dinner tab. Men confess t surprise moments. Men confide in women they don't know, as easily as they fuck women they don't know. Men consider driving back to her place as part of the foreplay. Men con- sider the ability to make rude body noises at will a genu see him breathing, smell his fire and feel his intelligence. Men count up the faults of those who keep them waiting. Men created civilization in the image of a perpetual erection: a pregnant phallus. "Men", declares columnist Rosie DiMa "are from another planet, sent here by spaceships to copulate with female earthlings and propagate the species—a task for which science has rendered them all but redundant." Men deficient in estrogen aren't more manly; they're more as osteoporosis. Men definitely need more visual appeal, and the requirements for physical attraction can change over time. Men definitely notice them; some can't even stop themselves from staring. Men didn't let a woman like Veneti heavy reading in the bathroom. Men do dreadful, irrational, and unnatural deeds under the banner of honor. Men do it standing up. Men do it, women do it; can't be all bad if everybody's doin' it. Men do not admit to being anxious over of date. Men do not find women attractive just because they wear stockings; stockings are an enhancement to their existing beauty, without wanting to sound patronizing, it's like the icing on a cake. Men do not play with teletubbies...well, do not stand alone. Men don't change toilet rolls. Men don't eat turds on the sly. "Men don't get breast cancer," Lowery said. Men, don't get shot down by approaching a woman who is not interested in you. Men don't have a clue that af are supposed to take turns and ask women questions. Men don't have to put up with that. Men don't just watch the TV, they plug right in. Men don't like clingy, dependent women. Men don't live with our bodies and they can do weird thi they're just desperate. Men don't notice such things. Men don't realize how harmful it can be to view pornography. Men don't shed as much, and if they do, they hide it. Men don't touch women when they bleed. Men don't turn me on ar to be seen as just a gravy train. Men drag their heels when it comes to dressing up. Men drink too much beer! Men duly understand the river of life, misconstruing it, as it widens and its cities grow dark and denser, always farther away. MEN!-Everything I say here applies to you. Men fall for pretty faces, women fall for healthy portfolios? Men fear experiencing even greater pain during the process of treatment, and they don't want to admit their illness- i.e. their weakness. because they can pee where ever they please... Men feel the need to impregnate as many females as possible during the shortest period possible. Men felt ashamed. Men find it easier to change their habits than women. MEN FISTING women remember everything. Men frequently call the Idiot Hotline for advice on women, where else would they get their idiotic ideas? Men from outer space / Will not come to Buffalo. / What is there to do? Men fucking men. Men funct Men get beat up all the time. Men get bored after 20 minutes. Men get the same treatment as women. Men get tired faster than women. Men give their lives to competing with one another. Men go for foods high in fat - they want peanu beer. Men go nuts without women-but gals do better without guys! Men grew up, ten years old, banging on their drums or wanking off on the guitar. Men Hate Poetry. Men hate Richard Gere because he reminds them of that slick guy v club and dates only married women. Men hate shopping but complain when you buy things without asking their opinion. Men hate taking class- es (they don't like being told what to do). Men hate to look like fools in public. Men hate wh their mistakes, and rarely admit that they are wrong. Men hate women. Men have a totally alien concept of time. Men have always done crazy things around women. Men have always felt pleasure in confronting other men because, in the second imaginary structures, a greater confrontation is at stake. Men have an average life expectancy that is seven years shorter than that of women. Men have an obsession with timing every event, especially bodily functions like pissing and the root / Of all of woman's problems / And always will be. Men have been virtually helpless against their enemies (yes, we do have enemies - many of them) primarily for three reasons. Men have feelings too-But who really gives a sl most part, been the leaders in history. Men have had no sympathy with those of a different complexion, with those who knelt at other altars and expressed their thoughts in other words-and even a difference in garments placed them be others. Men have higher body temperatures than women. Men have logical, problem- solving minds. Men have many strengths, of course, and they have accomplished many noteworthy things. Men have more strength. Men have mot how women determine bust size, either. Men have, on average, a more muscular stature. MEN HAVE ONLY ONE REASON IN LIFE, WHICH I HAVENT QUITE FIGURED IT OUT YET THOUGH. Men have reported being whisked to sp either forced to have sex with shapely female aliens, probed rectally with odd gizmos, or have had semen extracted from their bodies. Men have responsibility too. Men have the courage and inventiveness to try to explain the inexplical powerful sets of sitting muscles developed by evolution that enable us to sit for extended periods of time without getting tired. Men have very small bladders and become irritated and distracted when prevented from answering a call fro Men, however, have a special gene whose sole function is to shout "Conquer! Conquer! Conquer! Conquer! into the male bloodstream. Men huh? Men, huh?!!! Men hunt. Men, I think, have more pressure exerted on them as speaker they've lost a limb / Still feel that limb / As they did / Before. Men in balaclava hoods jump out, quickly load the car with TV's, Hi-Fi's, etc. and reverse out and away. Men In Black. Men In Black was a halarios movei, even if you know whet was a halarios move in the car with TV's and the car with TV's, Hi-Fi's, etc. and reverse out and away. Men In Black was a halarios move in the car with TV's and the car with TV's and reverse out and away. Men In Black was a halarios move in the car with TV's and the car with TV's and reverse out and away. were. Men in Chains. Men, in fact, are the inferior sex. Men in lingerie. Men in panty hose. Men in Perspective: Power, Policy and Identity. Men In Pink. Men in Power Suits. Men in restrooms will never speak a word to each other. Men you nuts. Men in strong male subcultures like the police, the military, and sports (and a few other cesspools) bond very strongly. Men in their 20s, on the other hand, were compared to children. Men in tights. Men in white cowboy hats guard the front door, chatting with each other, grinning. Men invade another half of Women. "Men kill themselves because they are afraid of death," he says. Men knew that if they devirginalized a woman, they could end up dead within twenty-four hours. Men know that unless they get a digital line to the Interne look at them twice. Men lead in almost all of the top 15 causes of premature death. MEN, learn how you can tell from across the room if she's interested by her gestures and the way she changes her posture. Men licking their mustache about being afraid. Men lie about being lost. Men lie about knowing why the car won't start. Men lie about lying. Men lie about not minding that their mate has a roman- tic past. Men lie about their height. Men lie about their sports ability a woman they don't like what she's wearing. Men lie to women about their health. Men, like bears, are looking for honey. Men like Calvera, and men like you... and now me. Men, like empowered people generally, emphasize freedom a phones with lots of buttons. Men like sex-almost anywhere, any time, any way. Men like to barbecue. Men like to pursue an elusive woman like a cake of wet soap - even men who hate baths. "Men like to receive gifts and be showere course, but their emotional response may not be as immediate or direct," explains Robert Hunt, a senior therapist at the PENN Council for Relationships, a couples counseling center in Philadelphia. Men like to show off their physiques do, even to each other (sometimes, especially to each other - it's a guy thing!). Men live, on the average, about 7 less years than women do in the United States, partly because women see their doctors more often, even after account pregnancy. Men look for the hallmarks of youth, like smooth skin, full lips and perky breasts; they want a mate who has a long childbearing career ahead of her. Men love being wanted. Men love compliments-and yours just might turn is dates they had, and even sex. Men love to be the first to read the newspaper in the morning. Men love to have women to share their dirty secrets with. Men love to talk politics, but often they forget to do political things such as voting. Men love to have women to share their dirty secrets with. love sex. Men, Masculinities & Crime. Men masturbating. Men may also find the sensations enjoyable-on various places around the penis, the scrotum, the anus, or anywhere else on the body. Men may love women, but they are in a r marry because they are tired; women because they are curious. Men may only enter for being humiliated and whipped. Men may resist, but in the end most do marry because they want women more than anything else; if responsibilitie child care, and monogamy are part of the package they must buy to get women, they'll do it. Men, meanwhile, frequently contend with "terminal dribbling," the medical name for the phenomenon described by the familiar graffito, "No ma PIE, MEN, MEN, MEN, UMM, UUM, MEN, MEN, MEN, MEN, MEN, MEN, MILK AND HONEY, GOD'S LIT- TLE GIFT FOR WOMAN. Men mention peeing into streams, onto fences, into holes they've dug, out high windows, into alleys, behind 7-11s or gas stations, and onto compost heaps. Men might stop beating women. Men must endure so that they may experience the shipwreck of the soul and encounter the fact of tragedy. Men need to have themselves the shipwreck of the soul and encounter the fact of tragedy. to start checking for prostate cancer early, and more vigilantly. Men need to take their time more and set the mood. Men need to tak to each other more often. "Men need women much more than women need men!" Men never ask dire evil so completely and cheerfully as when they do it from religious conviction. Men never grow out of their obsession with toys. Men, not women, criticize penises. Men now take increasing responsibility for their own choices in health ca this

is the growth in cosmetic surgery. Men nude. Men of discerning taste often find themselves mulling over the same age-old question.
